

Name	Mausam Kumar	
Designation	Lecturer	
Qualification	MTech Plastics Engineering	
Experience	5 Years Teaching and 4 years Industrial	
Email	sirmausam@gmail.com	
Research Interest	Synthesis of Nanomaterials, Polymer Nanocomposite, Polymer Blends, Natural fibre-based composites	
Teaching Area	Plastics Testing , Design of Dies and Moulds, Recycling and Waste Management, Polymer Characterization	
Publication	Synthesis and characterization of carbon-based composites for bio-medical application	
Workshop /Conferences	Advancement of Polymeric Materials 2018,2019,2020 , Plast India 2018 , Plast Vision 2019	
Professional Member	AMIE, C.Eng, Member of IPEA, Life member of Indian Science Congress Association	
Extracurricular involvement	Establishment section, Building Maintenance of the Institute, Incubation cell & Institute magazine	
Online Courses	NPTEL and 8 modules of NITTTR	
Additional Information	Certified on Laboratory Management system as per ISO 17025: 2017, Uncertainty Measurement as per ISO 17025: 2017
